BEARPACK CELEBRATES 10 YEARS

As most of you know we held elections in January and there were some changes . Mike Davis who had been President of the Bearpack for the first nine years did not want to run as president again. He is still around as Midwest Bearfest chairman, and working hard to make this years run the best run yet.

We have been hard at work this year . Starting in March we held Bear Awakening at the 501 Eagle, with a wet underwear contest. In June we held our first Community Pride night which was a party to kick off Pride in Indy. We also constructed a float for the Indy Pride parade, and manned a booth at Pride that afternoon.

We look forward to seeing you at our upcoming events. Please feel free to contact us about any of our events.

*Woof in Pride,
Gordon Carpenter
President Midwest Bearpack*
